

*MKB Conseil & Coaching* has a proven track record in coaching numerous international executives. We have coached in industries such as the telecom, banking, food, fragrance and flavors, non-profits and pharmaceutical industries to name a few in Europe, Asia and in the US. We are known for our ability to coach individuals and teams from a wide variety of cultures.

Katrina Burrus, PhD, MCC is the founder of *MKB Conseil & Coaching* (created in 1994) and of the *Global Nomadic Leadership Development Institute*

*MKB Conseil & Coaching* is affiliated with a network of experts, coaches, facilitators and researchers. Based on her leading edge research over the past 16 years, she facilitates a series of advance International seminars on "Tomorrow's Leaders Succeeding in a Global World Without Borders" and "Coaching Brilliant and Abrasive Leaders." She is also intimately familiar with the unique demands and issues that confront Global Nomadic Leaders, High Potential and Brilliant and Abrasive Leaders. A CEO herself and based on her intimate understanding of the executive roles, she is well positioned to coach and support leaders.
